

Message from your State Director

Wow! It is hard to believe it is already July. My theme for my year as State Director is "Together We Can." I believe much more is accomplished when you involve others and when you ask for participation from others. During this year, I plan on calling on many of you.

This 1st monthly newsletter is brief. Future monthly newsletters will provide information about this association as well as information about you – its members. I want our four associations to share information with each other so let me hear from you. Tell me about future meeting topics. Let me know when one of your members earns a designation or pass an industry course. Share how your association is involved in the community. This is your association so let me know what I can do to make this association the best ever.

I have been employed at Shelter Insurance for 30 years. My insurance career started in the group health area and I have moved throughout the life and health area working in policy administration, health claims, and life and disability claims. I am currently a Projects Manager working with major projects and system changes. I joined NAIW in 1997 and I am a member of IPMM. I have served on several local, state, regional and national committees and have taken several NAIW educational courses. I am married to a very outgoing husband who works at Bagnell Dam for AmerenUE. I love spoiling my 10 nieces and nephews and enjoy traveling.
